

# Early Detection

Early detection of  
Alzheimer's allows  
you to take charge of  
your diagnosis and  
treatment plan.

Funding for this publication made possible by a  
grant from the Illinois Department of Public Health.

## WARNING SIGNS OF ALZHEIMER'S:

**Memory loss that  
disrupts daily life**

**Challenges planning  
or solving problems**

**Difficulty completing  
familiar tasks**

**Confusion with  
time or place**

**Misplacing things and  
losing the ability to  
retrace steps**
